3.d.iii	Implementation of evidence-based medicine guidelines for asthma management	31	5	20%
4.b.i	Promote tobacco use cessation, especially among low SES populations and those with poor mental health.	23	11	44%
4.b.ii	Increase Access to High Quality Chronic Disease Preventive Care and Management in Both Clinical and Community Settings	17	11	44%
	Cumulative Index Score	420		
	PPS Rank by Cumulative Index Score	4		

Capital Requests

Organization	Project
Northern Rivers	To establish a Behavioral Health Crisis Stabilization Center providing a full array of crisis stabilization service to children and youth aged 4-21. The center located on Parsons Academy Road campus would include reception, community care units, secure units centralized triage and crisis response team. It would also house four 5-bed units used for short term and intensive medium term crisis stabilization.
Albany Medical Center	For fit-up and construction of DRSIP Project Management Office
Saratoga Hospital	To renovate available commercial space at 24 Hamilton Street and expand and integrate primary and behavioral health services at that location.
Albany Medical Center	For construction projects connected to Integration of Primary Care and Behavioral Health (Adult & Pediatric), ED Care Triage, and access expansion of urgent care
The Addictions Care Center of Albany	To fund the creation of The Behavioral Health Community Crisis Stabilization Center. The Center would house co-located primary and behavioral health services as well as care navigation, short-stay sub-acute crisis stabilization beds, ambulatory detox, and a wellness center.
The Center for Disability Services	To upgrade their current EHR to make it compliant with PCMH 2014 Level 3 standards.

Capital Requests

Organization	Project
Albany County Nursing Home	Requested between \$300,000 and \$1 million to renovate up to 4 units with 40 units each into a primary/urgent care center. The renovation could be staged as partners and services are identified.
Columbia Memorial	To renovate unused space in Catskill's Green Medical Arts creating a medical village with shared clinical and non-clinical space. Including primary, specialty and behavioral health services as well as PPS related care navigation, screenings, or training.
Daughters of Sarah	To create a medical village using nursing home space
Albany Medical Center	To establish an IT infrastructure capable of population health monitoring, reporting, and care management
Price Chopper	To provide Pharmacy connections to HIXNY which will enable pharmacy to provide MTM services
Equinox	To establish an integrated primary care and behavioral health care clinic extending a currently operating facility at 500 Central Ave. Integrated care would be maximized by a shared EHR.

Capital Review Committee

- Bill VanSlyke – Columbia Memorial
- Audrey LaFrenier – Northern Rivers
- Dot Jones – Saratoga Hospital*
- Kim Fine – Albany Medical Center
- Bill Hasslebarth – Albany Medical Center

- George Clifford and Evan Brooksby of the DSRIP PMO facilitated the discussion.

7	Albany County Nursing Home	Requested between \$300,000 and \$1 million to renovate up to 4 units with 40 units each into a primary/urgent care center. The renovation could be staged as partners and services are identified.
8	AMC	Construction projects connected to integration of Primary Care and Behavioral Health (Adult & Pediatric), ED Care Triage, Access Expansion of Urgent care
9	Saratoga Hospital	To renovate available commercial space at 24 Hamilton Street and expand and integrate primary and behavioral health services at that location.
10	Equinox	To establish an integrated primary care and behavioral health care clinic extending a currently operating facility at 500 Central Ave. Integrated care would be maximized by a shared EHR.
11	Price Chopper	To provide Pharmacy connections to HIXNY which will enable pharmacy to provide MTM services
12	Daughters of Sarah	To create a medical village using nursing home space

Information Technology (IT)

- Next steps to facilitate data exchange
 - AMC PPS completes a DEAA with NYS DOH
 - AMC PPS will require a BAA with performing providers
- Will be conducting a more complete IT assessment (under development)

Stake Holder Meetings and Project Participation

- We continue to hold meetings with individual stakeholder organizations
- Intended to begin to define roles
- Please begin to define how you expect to participate in implementation planning and projects
- Next step is to begin sub-committee formation
 - Seeking input on committee structure, membership and design
